PROFESSIONAL PROFILE

I am a Computer Science graduate and early-career technology professional with hands-on experience in software development, IT support, and digital systems. I am driven by impact, curious by nature, and motivated to grow into a well-rounded business and technology leader. I thrive in fast-paced environments, take ownership of my work, and value collaboration and learning.

CORE SKILLS & COMPETENCIES

Leadership & Ownership | Analytical Thinking | Problem Solving | Cross-Functional Collaboration | Adaptability | Customer Focus

Technical: Full-Stack Development, Mobile & Web Applications, IT Support, Microsoft Office, Cloud & Automation Basics
